

## Alumni Referral Scheme - Jan 2024 Admission Cycle

Dear Alumni,

Alumni Referral Scheme solicits the contribution from IMT CDL alumni in the form of referred candidates for our AICTE approved programmes namely, PGDM Two Years, PGDM-Executive 15 Months and PGCM-13 Months. The quality educational inputs and strong brand of IMT CDL has been a propelling force for making a leap in your career. You can make a difference to the lives of several aspiring candidates by referring them to our valuable & affordable post graduate management programmes. You can contribute in terms of referring the bright candidates like you for our class of Jan 2024 and avail the benefits as explained below. The scheme provides the referral benefits to alumni as well as referred candidate. The referral benefits are explained below:

### ***Benefit to Referrer:***

When an alumni will refer a candidate to any AICTE approved programme at IMT CDL, his/her alumni account with us will be credited by 2500 Referral Points, on payment of 1st Semester fee by referred candidate. These points will continue to accumulate in their account with us on each referral.

The alumni will be given **Amazon/any other Gift Voucher worth Rs 2500/-** for each referred candidate who enrolls with IMT CDL. The voucher/s will be awarded to the alumni on the last day of Online Learning Session (OLS) of 1<sup>st</sup> semester, relevant to that student.

An alumni can refer a maximum of 5 candidates in an admission cycle. This implies that 5 forms can be filled by using one unique alumni referral link after that unique link will be disabled. Maximum 12500 referral points can be earned by alumni in an admission cycle.

**Note: Each credit point is equivalent to one rupee**

### ***Benefit to Referred Candidate:***

When an alumni referred candidate takes admission to any of our AICTE approved programme using the unique link of that alumni, he/she will get one time concession of INR 2500/- in the Semester One fee.

Best Wishes

Alumni Referral Team.

IMT CDL, Ghaziabad.
